

# AROUND THE WORLD

LES ÉLÈVES DE 4<sup>o</sup>2 ET 4<sup>o</sup>4 QUI NE SONT PAS  
PARTIS À BRIGHTON (ET LEUR PROF D'ANGLAIS)  
ONT DÉCIDÉ DE VOYAGER QUAND MÊME !

We had so much fun last week travelling the world ! First, we went to **London** (**England**). Ensi posed in front of **Big Ben**.

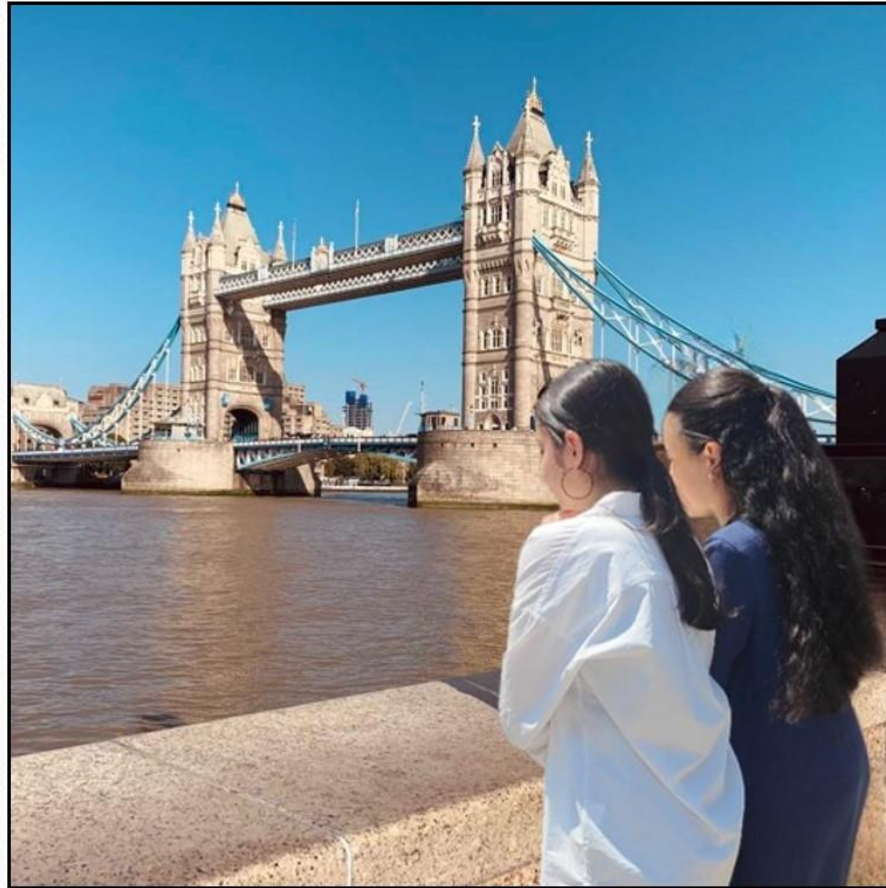

**I ♥ LONDON**

Mateo was there too ! He went to **Big Ben** on a red doubledecker.

Anika and Samara decided to walk across **Tower Bridge**. It was so exciting !

Naira and Malak really wanted to see **Tower Bridge** because it is their favourite part of **London**. They were lucky because the weather was sunny.

Anika and Thibault tried to make a **guard** laugh for almost an hour and Ensi tried not to move at all. It's really hard !

Florian decided to visit the **Tower of London**. Bad idea !

Thibault couldn't escape, he was caught by two **Beefeaters** !  
Let's hope he kept his head on his shoulders ...

Malak became **Queen of England** ! Naira went to the coronation at **Westminster Abbey**. **Prince Charles** looked very disappointed. Why ?

After the ceremony, **Camilla** took back her crown and the **royal family** waved at the crowd from **Buckingham Palace's** balcony. Imad, Mateo and Ensi were so proud to be a part of this moment !

Jalil and Samir had the chance to meet the royal couple, **Charles and Camilla** at **Buckingham Palace**. They were really impressed and honoured !

Goodbye **England** ! Hello **New York City (USA)** ! This is **Times Square** !

Florian went to **Broadway** to see a musical. It was amazing !

At night, everybody went to the restaurant in **Manhattan** and Mrs Charvolin had the biggest burger ! Thibault was soooo jealous !

On our last day in **NYC**, we wanted to see the **Statue of Liberty**. So impressive !

Then, Muhammad went on a secret mission with the **FBI**.  
We are not allowed to talk about it.

There was a problem with the mission, Muhammad had to escape to **Los Angeles (USA)** ! He is our friend, we had to go with him !

Thibault and Mohamed spent the afternoon at **Venice Beach**.

Marouane and Djazil were at the **Venice Beach Skatepark** too !  
They spent all morning skateboarding with their new **L.A.** friends.

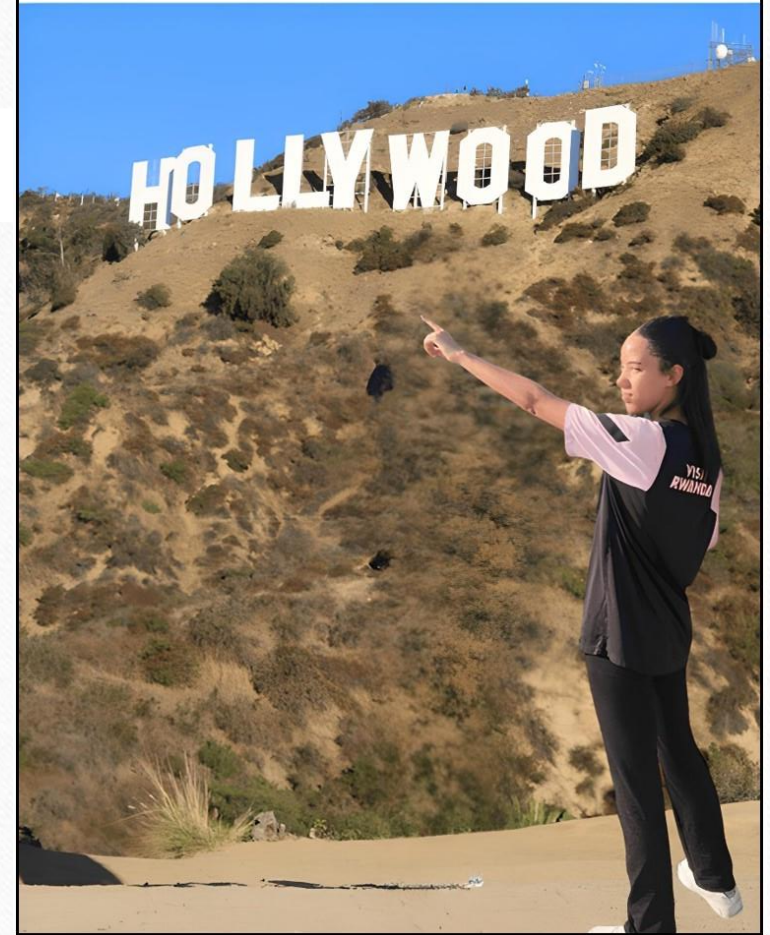

**I**  **SKATEBOARDING**

Jalil and Samir preferred to go exercising in **Malibu**. They met **Angelo**, a great fitness instructor. They had a lot of fun but they were exhausted at the end of the session !

Noemilia walked up to the **Hollywood sign**. The weather was really hot on that day. It wasn't an easy hike, congrats !

Before leaving the **USA**, Samara, Mélodie and Anika discovered the **Hollywood Walk of Fame** and its famous stars.

Once in **Canada**, Célia and Mateo went to a lake but they ended up face to face with a **moose** ! They couldn't believe their eyes !

Look at Muhammad riding that cute **baby moose** !

Thibault and Mohamed didn't listen to Mrs Charvolin's instructions and didn't stay with the group ! They found themselves in great danger facing a **grizzly** ! Luckily, it wasn't hungry and just wanted to play. Next time, listen to your teacher, boys !

**Canada** was really too dangerous so we decided to finish our trip in **Australia**. Much safer ! Samara is so good at surfing !

Noémilia is a great surfer too. In **Sydney**, she really enjoyed herself in the waves. Now she wants to become a surf instructor!

Imad and Muhammad rode their scooters to go to **Bondi Beach** (Sydney). They spent the afternoon watching their friends surf.

The next day, Celia went to **Jervis Bay** where she met a lovely **kangaroo** and its baby. It was such an incredible moment !

Fortuna tried to pet the baby but the kangaroo started chasing him. **Australia** is too dangerous, let's go back to **France** !
